Land Management Agreement – Black Hawk Lake, Sac County -- City of Lake View

The Natural Resource Commission's approval is requested to accept amendments to a management agreement between the City of Lake View and the Department. The current management agreement, which has been in place since 1996, requires the City of Lake View to manage a dock management area on Black Hawk Lake in Sac County and to maintain additional public access to the lake through public walkways and shoreline accesses.

The amendment will 1) account for changes to the regulations for dock management areas found in 571 Iowa Administrative Code Chapter 16, 2) extend the agreement for another 25 years from this amendment, and 3) make some minor modifications to contractual language in the agreement based on changes to the law since 1996.
